

Declaration for the REACH-regulation

Dear Sir or Madam,

Fischer Elektronik GmbH & Co. KG confirms to AVNET that delivered articles are manufactured conform to Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

Our articles Thermally conductive adhesive WLK DK [...] contain a substance of the candidate list (SVHC, release dated: 2017-01-15).

This product contains 4,4'-isopropylidenediphenol (CAS 80-05-7).

The following articles contain lead (CAS 7439-92-1, SVHC-list release 2018-06-27) as alloying element:

- AHM [...]
- BL 5 [...] (contact base alloy)
- BL 6 [...] (contact base alloy)
- BL 9 [...] (contact base alloy)
- BL 10 [...] (contact base alloy)
- BL 16 SMD [...] (contact base alloy)
- BL 19 [...] (contact base alloy)
- BLY [...] (contact base alloy)
- ELS 3
- GBM [...]
- LA [...] (fan)
- LAM [...] (fan)
- LAV [...] (fan)
- MK [...] (contact base alloy)
- PK [...] (contact base alloy)
- SB [...] (contact base alloy)
- SK 08 and 42 G (contact base alloy)
- SL 8 [...] (contact base alloy)

With kind regards
