Complete all mandatory fields and click on Submit. Below the message on webpage.

In the same time, an automatic mail is generating by confirming your Registration request

2- Your account and user profile will be created in BICS Portal and your Trials eUICC will be activated.

3- An automatic mail (as below) will be send to you requesting you to create your password.

Your account has been successfully created.
Please set your password from below link to access your account.
Account login ID: sauletiscab

[click here to login](#)

Note: This is an automated email. DO NOT REPLY.

Click on "Click here to login"

The screenshot shows a 'Change Password' form. At the top, there is a blue header with the text 'Change Password'. Below the header, there is an orange bar containing the text 'sauletiscab'. The form has two input fields: 'New Password : password' and 'Confirm New Password : password'. Below the input fields, there is a list of criteria: 'Criteria: length: 8 to 20, at least one character from the list !@#_\$. at least one upper case character, at least one lower case character, at least one number.'. An example password 'hac00#8B' is provided. At the bottom of the form, there are two buttons: 'CANCEL' and 'CHANGE PASSWORD'.

Create your personal password and click on CHANGE PASSWORD

4- Go to <https://sft.bics.com/GUI/login.jsp>

The screenshot shows a login interface for 'bics SIM For Things'. At the top right is the BICS logo. Below it, the text 'Welcome to SIM For Things' is displayed. The form includes two input fields: 'User Name' with a user icon and 'Password' with a search icon. A prominent red 'Login' button is centered below the fields. A red message states: 'Your session has been expired due to inactivity. Please login again.' At the bottom right, there is a 'Forgot Password ?' link.

Enter your User Name and Password and click on LOGIN.

From this step, enjoy your tests and you can discover Cellular Connectivity Management Platform.
