EBV Elektronik receives EMEA Distribution Partner Award 2021 from onsemi

Poing, Germany, 5th May 2022 – EBV Elektronik, an [Avnet](#) company (NASDAQ: [AVT](#)), has been recognised by onsemi as top distribution partner in EMEA during 2021. The annual awards honour the distributor in each region that led channel sales, grew market share, captured design wins, and scored highly on overall process excellence in an evolving semiconductor market.

During 2021, 64% of onsemi’s business resulted from their distribution partnerships. Jeff Thomson, Senior Vice President of Global Channel Sales for onsemi applauded the relationships, commenting: “Each of these winners grew product sales, generated significant new business, and effectively supported customer needs while demonstrating our company initiative of operational excellence.”

“It speaks volumes that onsemi, a leader in intelligent power and sensing technologies, has chosen to work so closely with EBV as their leading distribution partner in the EMEA region,” said Thomas Staudinger, President at EBV Elektronik. “It is a clear demonstration of our reputation, technical ability and global reach for us to win the Distribution Partner Award for 2021. We look forward to working closely with them in 2022.”

###

About EBV Elektronik

EBV Elektronik, an Avnet (NASDAQ:AVT) company, was founded in 1969 and is the leading specialist in European semiconductor distribution. EBV maintains its successful strategy of personal commitment to customers and excellent services. 240 Technical Sales Specialists provide a strong focus on a selected group of long-term manufacturing partners. 120 continuously trained Application Specialists offer extensive application know-how and design expertise. With the EBVchips Program, EBV, together with its customers, defines and develops new semiconductor products. Targeted customers in selected growth markets will be supported by the Vertical Sales Segments. Warehouse operations, complete logistics solutions and value-added services such as programming, taping & reeling and laser marking are fulfilled by Avnet Logistics, EBV’s logistical backbone and Europe’s largest service centre. EBV operates from 65 offices in 29 countries throughout EMEA (Europe – Middle East – Africa). For more information about EBV Elektronik, please visit www.ebv.com.

About Avnet

Avnet is a global technology solutions provider with an extensive ecosystem delivering design, product, marketing and supply chain expertise for customers at every stage of the product lifecycle. We transform ideas into intelligent solutions, reducing the time, cost and complexities of bringing products to market. For nearly a century, Avnet has helped its customers and suppliers around the world realize the transformative possibilities of technology. Learn more about Avnet at www.avnet.com.
