

The onsemi logo is displayed in white lowercase letters. The 'i' in 'semi' has a small orange triangle above it. A trademark symbol (TM) is located to the right of the 'i'. The background behind the logo is a dark blue circular area with a fine grid pattern, which is part of a larger image of a silicon wafer.

onsemi™

Intelligent Technology. Better Future.

Complete End-to-End Silicon Carbide (SiC) Supply Chain

onsemi has developed its own supply chain, from substrates and assembly to packaging and deep application design knowledge, with continuing investment to meet market demand. We deliver high-quality and reliable SiC product and we're investing to support rapid growth of the sustainable ecosystem.

A close-up photograph of a person's hands wearing yellow nitrile gloves, holding a large, circular, yellow silicon wafer. The wafer is held between the fingers, showing its smooth surface and circular shape. The background is a soft, out-of-focus light blue.
