

# B32354S series

## Features

- Plastic can, box type
- Voltage range: 250 ... 350 VAC
- Capacitance: 10 to 40  $\mu\text{F}$
- **Protected by segmented film**
- UL 810 compatible
- Low height, compact design
- Temperature: - 25°C ... + 85°C
- In production since 2014
- **NEW: 85°C 85% 1000 h, U<sub>N</sub> compatible available**

## Main application

- UPS input filter
- UPS output filter
