

Avnet Silica to host Microsoft Windows 10 IoT Enterprise on Arm workshops at embedded world

Participants will take home a free Arm board pre-installed with Win 10 OS and apps

Brussels, Belgium, 10th March 2023– Avnet Silica, an Avnet company (NASDAQ: [AVT](#)), will host a series of hands-on Windows 10 IoT Enterprise on Arm workshops at embedded world, Nuremberg, 14-16 March 2023. Avnet Silica specialists, along with experts from technology partners Microsoft, NXP, and sister company Avnet Embedded, will take participants through a step-by-step process to gain hands-on experience with cutting-edge technology.

Workshop participants will be able to assemble and connect hardware, learn how to set up and install Windows 10 IoT Enterprise on an Avnet Embedded Arm-based SMARC module with an NXP i.MX 8M Plus, and run a series of API32-based demo applications to demonstrate standard PC compatibility.

Attendees will also be given a complimentary fully functional board with pre-installed Windows 10 IoT Enterprise OS and apps, as well as all the necessary cables and a power adapter.

Find out more and get an exclusive demo of the first production-ready system on the Avnet Silica stand, Hall 3A 111. For anyone who is interested, there may be an opportunity to secure one of the limited seats at the workshop.

About Avnet Silica

Avnet Silica is the European semiconductor specialist division of Avnet, one of the leading global technology distributors, and acts as the smart connection between customers and suppliers. The distributor simplifies complexity by providing creative solutions, technology and logistics support. Avnet Silica is a partner of leading semiconductor manufacturers and innovative solution providers over many years. With a team of more than 200 application engineers and technical specialists, Avnet Silica supports projects all the way from the idea to the concept to production. Avnet Silica is a regional business unit of Avnet, (NASDAQ: AVT) with European headquarters in Belgium (Avnet Europe Comm. VA). For more information, visit www.avnet-silica.com

About Avnet

As a leading global technology distributor and solutions provider, Avnet has served customers' evolving needs for an entire century. We support customers at each stage of a product's lifecycle, from idea to design and from prototype to production. Our unique position at the center of the technology value chain enables us to accelerate the design and supply stages of product development so customers can realize revenue faster. Decade after decade, Avnet helps its customers and suppliers around the world realize the transformative possibilities of technology. Learn more about Avnet at www.avnet.com.
