Our products have been evaluated for the presence of the substances restricted under Article 67 of REACH (Annex XVII) as updated BY ECHA on May 22, 2024. The product(s) and/or articles\* contained within the product(s) CONTAIN the restricted substance, Nickel and its compounds, which do not come into direct contact with human skin.

The products supplied by Taoglas Limited meet the requirements of EU 1907/2006; however, some assemblies are customized to client specifications. Addition of specialized, customer-specified materials or processes which do not meet the requirements of EU 1907/2006 may negate REACH compliance of the assembly. To guarantee compliance of the assembly, the need for compliant product must be communicated to Taoglas in written form.

This declaration is issued based on our current level of knowledge and covers all products. Part numbers will remain the same.
