AVNET[®] SILICA

Benefits of using MyAvnetSilica

With a portfolio of self-service tools and valuable content, MyAvnetSilica brings all your business with Avnet Silica into a single digital experience.

Self-service tools

Whether it's placing orders, getting order status, requesting a quote, creating a bill of materials and more, MyAvnetSilica empowers you to do more on your own. Access the information you need and engage with Avnet Silica whenever you want – all through a single digital interface.

Valuable content

Real-time product details, availability, pricing, technical documentation and datasheets are just some of the valuable content at MyAvnetSilica – and it's all available whenever you need it.

This guide

This overview guide provides information about the many features of MyAvnetSilica – what they are, how to use them and links to more information. We hope you find this helpful and we welcome your ideas to make it better.

Overview of MyAvnetSilica tools

How to get registered

You need to be an active customer of Avnet Silica. Contact your sales representative to get you access to MyAvnetSilica.

Log in

Access your account and other information.

Dashboard

View account snapshot of notifications and pending items.

Quotes

Submit a quote for approval. Search submitted quotes and view open online and offline quotes.

BOM

Upload a Bill of Materials for projects or upload multiples and assign to specific projects. It's a quicker way to request a multi-line quote.

Forecasting

The MyAvnetSilica Forecast Response Tool empowers eligible customer to monitor their forecast in real time including indicators of risk if any.

EOL/PCN

Customers can review any product change notification and/or end-of-life products for parts of their purchasing history.

Login to your account

How to access

Click 'Sign In' link located on the top right of the homepage screen. Click the Sign button from the drop down menu. Accept the terms of use and then sign in with your credentials.

The screenshot shows a 'Sign In' form with the following elements:

- 1**: A green callout box with the number '1' has two arrows pointing to the 'Email' and 'Password' input fields.
- 2**: A green callout box with the number '2' has an arrow pointing to the 'SIGN IN' button.

The form contains the following text and fields:

- Sign In** (Title)
- Email** (Label)
- John.Smith@company.com (Text in email field)
- Password** (Label)
- (Text in password field)
- Accept Terms of Use - [View Terms of Use](#)
- Remember Me?
- [Forgot Password?](#)
- SIGN IN** (Button)

At the bottom of the form, there is a dark grey box with the text: "If you are already a customer reach out to your internal sales rep to be granted access online."

The screenshot shows the 'Profile' page of the MyAvnetSilica website. At the top, there is a navigation bar with 'ORDERS' and 'BOM' on the left, and 'Company', 'AVNET SILICA', and '€ EUR' on the right. Below this is the 'AVNET SILICA' logo, a search bar with the placeholder 'Enter keyword, item, model or part number.', and a user greeting 'Hello, John Account & Tools' next to a shopping cart icon labeled 'ITEM(S)'. A secondary navigation bar includes 'PRODUCTS', 'MANUFACTURERS', 'SOLUTIONS', and 'RESOURCES'. The main heading is 'Profile'. The content area is titled 'Account Information' and is divided into two columns. The left column is 'Contact Information' with fields for Name, Company, Job Function, Phone, and Email. The right column is 'Account' with a link 'Request to Join Existing Account' and a section 'Need More Information' with a link 'Visit our help page'. A green callout box with the number '1' has an arrow pointing to the Email field. Another green callout box with the number '2' has an arrow pointing to the 'Visit our help page' link.

Bill of Materials (BOM)

How to access and use

The screenshot shows the 'BOMs' management interface. It includes a 'Start a BOM' section with options: Upload File (selected), BOM Template, Create Parts List, and Find a Part. A central upload area contains the text 'Drag your BOM file here to upload or SELECT A FILE' and a 'SELECT A FILE' button. Below this is a search bar with 'Find BOM' and 'FIND' buttons, and a '+ CREATE A PROJECT' button. The 'Your BOMs' section shows 'Total Results: 2' and lists two projects: 'Project 3453' and 'Project 22124'. Each project entry includes 'Edit Project / Delete Project' links, a 'Test BOM' label, a last updated timestamp, and action buttons for 'Create Copy', 'Download', and 'Delete'. A footer note states: 'Avnet reserves the right to remove a BOM after 180 days of non-use'. Numbered callouts 1-6 point to specific elements: 1 points to the upload area, 2 to the 'Upload File' option, 3 to the search bar, 4 to the 'Project 3453' entry, 5 to the 'Project 22124' entry, and 6 to the 'Download' button.

BOM tool after upload

How to access and use

Matching the data of your uploaded file with the correct portal columns headers.

The screenshot shows the 'Define Column Headers' section of the BOM tool. A yellow banner prompts the user to define the column for 'Manufacture Part Number OR Customer Part Number'. Below this, a table lists data rows with columns for 'ROW', 'Match Column Header', 'QTY', 'Manufacturer', and 'Comment'. A dropdown menu is open for the first 'Match Column Header' cell, showing options: 'Match Column Header', 'Quantity', 'Manufacturer Part Number', 'Description', 'Notes', and 'Customer Part Number'. A green box with the number '1' points to this dropdown. Another green box with the number '2' points to the 'FINISHED COLUMN MATCHING' button.

Define Column Headers
Define the column headers to match your data.

Please define the column for Manufacture Part Number OR Customer Part Number to continue.

Select the row that your parts data begins.
Data starts on row 1

ROW	Match Column Header	QTY	Manufacturer	Comment
1	Match Column Header	2500	STMicroelectronics	Project A
2	Match Column Header	50	STMicroelectronics	Project A
3	LM311D	100	STMicroelectronics	Project A
4	353466436	4500	Bronco	Project A
5	LM32	2000		Project A
6	10CE1000BS	30000		Project B
7	25CE100PHT-P	25000		Project A
8	25TLV470M10X10.5	15000	Rubycon	Project A
9	030-8614-020	5000	ITT	Project A

BOM tool after upload

How to access and use

Clean up your multiple matches by selecting the right parts and move them into the exact matches table.

The screenshot shows the 'Actuator Control' interface. At the top, there's a navigation bar with 'Return to Saved BOMs', 'Actuator Control', and actions like 'Email', 'Download', and 'Create Copy'. Below that, a project dropdown is set to 'Project 3453' with a '+ CREATE A PROJECT' button. A status bar asks 'Have we defined your columns correctly? YES | NO, Redefine Columns'. The 'Exact Match BOM Health' section has a 'CHECK BOM HEALTH' button. A 'Quickly Add a Part' input field is present. Below, it says '15 items imported successfully, checking matching in tabs'. There are three tabs: 'EXACT MATCH 8/15', 'MULTIPLE MATCH 1/15' (highlighted), and 'NO MATCH 6/15'. A table shows the following data:

	PART NUMBER	MANUFACTURER PART NUMBER	QUANTITY	PRICE	AVAILABILITY	MANUFACTURER	INFORMATION
15	10CE100	6 possible matches (choose)	3500				

1

The 'SEARCH MATCH' dialog shows search results for '10CE100'. It lists six possible matches:

- 10CE100LST by Oracle: In Stock 125000, Factory Lead Time 20 weeks, Min: 1000, Mult: 1000. [SELECT]
- 10CE1000BS by Oracle: In Stock 1500, Factory Lead Time 28 weeks, Min: 500, Mult: 500. [SELECT]
- 10CE100BSS by Oracle: In Stock 0, Factory Lead Time 28 weeks, Min: 1000, Mult: 1000. [SELECT]
- 10CE1000KX by Oracle: In Stock 0, Price €0,1471 (EURE), Factory Lead Time 20 weeks.

Parametric Search

How to use

Using filter to refine part search results.

The screenshot shows the AvnetSilica parametric search interface. It features a top navigation bar with 'Products (257)' and 'Documents (13)'. Below this is a series of filter panels: 'In Stock (3)', 'RoHS 6 Compliant (1)', 'RoHS 10 Compliant (243)', 'RoHS 6 Exemption (0)', 'RoHS 10 Exemption (0)', 'RoHS Non Compliant (13)', 'New Products (0)', 'Category', 'Manufacturer', 'Body Orientation', 'Contact Plating', 'Termination Method', and 'Mounting'. A 'Showing 257 products' bar is visible above the product list. The product list table includes columns for Product, Price, Availability, Manufacturer, Information, Body Orientation, Contact Plating, and Termination Method. A green callout '1' points to the 'Documents (13)' link. A green callout '2' points to the 'In Stock (3)' filter. A green callout '3' points to the 'Add To BOM' button in the product list.

Part Compare

How to use

Refine your part search with product compare. Compare attributes next to each other until you find the right part. Add to BOM, cart or quote request. Download your compare view to your computer for sharing.

The screenshot shows the 'Compare Products' interface. At the top left, there is a link '< BACK TO PRODUCTS'. Below it, the title 'Compare Products' is followed by 'ADD PART' and 'CLEAR ALL' buttons. On the right side, there are 'TOOLTIP' and 'DOWNLOAD' buttons. The main area is titled 'PRODUCTS' and contains three columns for different parts: 61082 123402LF, 71918 234LF, and 48234 002LF. Each column has a product image placeholder, 'Add To BOM' and 'Datasheet' buttons, quantity input fields (Min-Mult and a numeric field with +/- buttons), and 'ADD TO' and 'Click To Quote' buttons. Below the product list, there is a 'Manufacturer' section with 'Amphenol' listed for each part. The 'Availability' section shows 'In Stock' status with quantities: 300, 1048, and 0. A 'Refresh Stock' link is also present. At the bottom, there is an 'ADDITIONAL INVENTORY' section. Three green callout boxes with numbers 1, 2, and 3 are overlaid on the image. Callout 1 points to the product selection area, callout 2 points to the 'In Stock' status, and callout 3 points to the 'DOWNLOAD' button.

Quotes – Requesting a Quote

When a part has a 'Request Quote' button, follow these steps:

The 'Request a Quote' form contains the following fields and steps:

- Step 2:** Customer Part Number (input field with example 'ex. 4353ES')
- Step 3:** Target Currency (dropdown menu showing 'EUR (Euro)')
- Step 4:** Target Unit Price (Optional) (input field with placeholder 'Only use dot as decimal separator')
- Step 5:** End Customer (input field with placeholder 'Customer')
- Step 6:** ADD TO QUOTE (green button)

Other fields include: Quote No. (Open), Part Number (10129045-102LF), Manufacturer (Amphenol), Minimum Required Quantity for Quoting (Quantity: 1), and Comments (input field).

Quotes – Requesting a Quote

When a part has a 'Request Quote' button, follow these steps:

The screenshot shows a web form titled "Quotes". At the top, there is a green box with the number "1" and an arrow pointing to the top of the form. Below the title, there is a horizontal line and a note: "It helps to expedite your quote if we know a little more about your project." The form is divided into several sections: "Fill in the project details." with a "Required Field (*)" label; "Quote Reason*" with a dropdown menu; "Quote Reference*" and "End Customer Name" with text input fields; "Project Details" with a text input field; "Deadline" with a date picker and a note "Abacus will aim to meet your request where possible."; and "Comment" with a large text area. At the bottom left, there is a link "< Back to review quote". At the bottom right, there is a green button labeled "SUBMIT QUOTE". A green box with the number "2" and an arrow points to this button.

Purchasing parts from other sources

How to access

Click on the drop-down menu in the top right and toggle between different regions.

Users may purchase parts from other regions using a credit card. Please note, customer credit terms and special pricing don't transition to other regions.

If you are setup with the same email address on Avnet Abacus, Avnet Silica or EBV Elektronik, you can transition between those portal sites without the need to login again.

Order online

How to access

Select the cart icon on the right of the screen, and click View Cart.

The screenshot shows the '2. Payment Method' checkout page. It includes a 'SELECTED PAYMENT METHOD' section with 'Avnet Credit Line / Silica' selected. Below this is an 'INVOICE ADDRESS' section with a question 'Where do you want your invoice sent?' and a note that freight and tax will be calculated later. A 'Purchase Order Number*' field contains '1234567654321'. A checkbox for 'I have read and agree to the terms and conditions' is present. A 'PLACE ORDER' button is at the bottom right. The 'My Cart' section at the bottom shows one item: '172234-1 by TE Connectivity' with a quantity of 2000, a unit price of €0.26527, and a subtotal of €530.54. The page is annotated with four green callouts: '1' points to the payment method, '2' points to the invoice address, '3' points to the terms and conditions checkbox, and '4' points to the 'PLACE ORDER' button.
